

## **Sister Leslie Johnson**

Sister Leslie Johnson has been a part of the R.H.E.M.A./ADOR leadership team for the past 10 years. She accepted Christ at a young age and her spiritual growth was cultivated at Antioch Missionary Baptist Church in Chicago, Illinois. During her years at Antioch, she was a dedicated member and participated in Sunday School, Children's Church, and Teen Church.

While Sister Leslie was away from Antioch during her college years, she was spiritually nurtured by attending a local church near her university.

Upon returning to Chicago, she continued her service at Antioch by volunteering in the Children's church and in the nursery. She also spent some time in the dance ministry.

To advance in her career aspirations, Sister Johnson moved to Humble, Texas. She is currently a school administrator and primarily works with Special Education students.

Sister Johnson is the current 1st Vice President of the Lambda Delta chapter of Delta Kappa Gamma, an organization for key women educators. The focus of the organization is to provide scholarships to students majoring in education and provide new teachers with classroom supplies and books for classroom libraries.

Sister Johnson is the proud mother of one daughter, Essence. She continues to be a member of Wheeler Avenue Baptist Church in Houston where Dr. Marcus D. Cosby is the lead pastor.
