

Sister Mary Johnson

Sister Mary Johnson was born and raised in Chicago, Illinois. She accepted Christ into her life at an early age. She was christened, baptized and raised up in the Christian faith at Robinson Chapel AME Church. As a young lady in the church she sang with the youth choir and was an active member of the Young People's Department. She was eventually trained as an usher and served as a junior steward at her church well into her 20's. Sister Johnson attended Grinnell College. While pursuing her studies in political science, she sang with the Young, Gifted & Black Gospel chorus who toured the U.S. singing and performing.

Mary attended a local Methodist Church on her campus during her time away from home. After graduation, Mary continued to faithfully attend church and was excited and eager to begin work in her new church with her husband. In 2011, Mary received the call from the Lord to minister to and serve God's people through stewardship, missionary work and giving. Sister Mary has been led by the Holy Spirit in all of her endeavors and continues to seek guidance and direction for what the future holds and where God is leading her.

In the fall 2017, Mary's mother -in -Love, Reverend Linda Johnson introduced her to R.H.E.M.A./ADOR Ministries. Mary's mother had passed away earlier in the year and she was still grieving and also ailing from sciatic nerve pain. By the end of the weekend she was not only healed from grieving her Mother but there were no signs of pain in her body. She knew that this ministry was truly anointed and she wanted to remain connected.

In 2021, after attending R.H.E.M.A.'s first virtual conference Sister Johnson united with the ADOR ministry as a member and shortly after was asked to serve as the Prayer Coordinator on the ADOR leadership team. In 2022, Sister Johnson co-chaired R.H.E.M.A.'s participation in a 24-hour Prayer Vigil, managed the ADOR Book Club, and coordinated the Prayer Partner project. She developed some strong connections with mighty women of God. These relationships have filled a void that she prayed about for years. Sister Johnson is very excited about where God is leading her and what he has allowed her to do thus far.

Sister Mary has been happily married to her husband, Darrell for thirteen years. They own and operate an online plant-based hair and skin care company called, Hello To Natural which they founded in 2017. They are also caregivers for her father, Ernest Perry Jr. Darrell is currently in pursuit of his Masters and Doctoral Degrees at Northern Baptist Seminary in New Testament Studies. They are both members of Progressive Life-Giving Word Cathedral in Hillside, Illinois where Apostle Donald L. Alford is the Senior Pastor. They both currently serve in the media/marketing department and live in Beach Park, Illinois.
